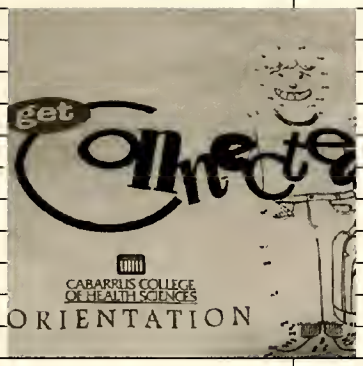
Cabarrus College of Health Sciences

2005

GET CONNECTED

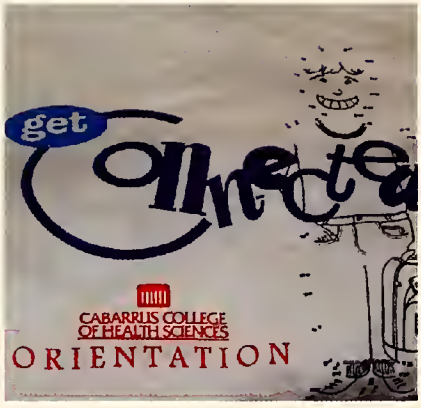
2004 & 2005



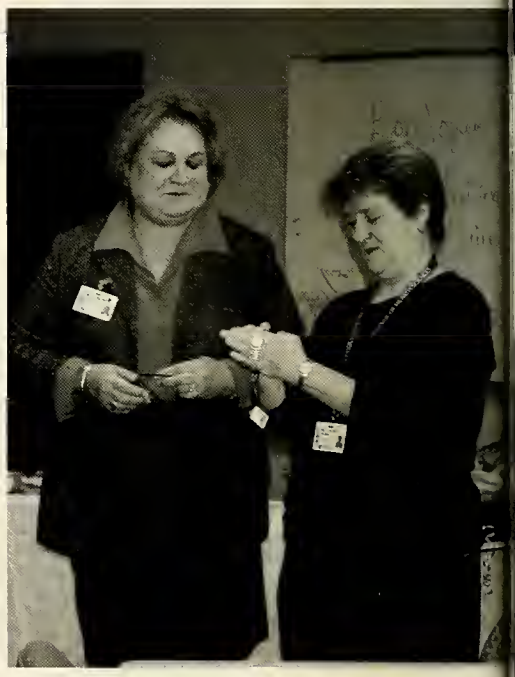
The theme "Get Connected" was selected for the 2004-2005 academic year as CCHS students strive to become better aquainted with each other, the college and their community.

Cabarrus College

of Health Sciences



Thank you for your terrific leadership,
Chancellor Brown!



Happy Birthday, Chancellor Brown!

Chancellor Brown shows her school spirit as she helps student Kate Stejskal paint at the Salvation Army during the United Way's Season of Caring.

Chancellor Brown poses with student, Kaysha Alston at the Convocation on Caring.

CCHS ORIENTATION

NEMC

Community Service at

Cabarrus College of Health Sciences

Everyone can be great, because everyone can serve.
-Martin Luther King, Jr.

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.
-Margaret Mead

People almost always do great things without knowing how to do them, and are quite surprised to have done them.
-Bernard De Fontenelle

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop."
-Dr. Dorothy Height

What is Relay For Life?
Teams come together to build community spirit, to honor loved ones and fight cancer – and have fun in the process.

What is the Community Free Clinic?
A collaborative network of clinics developed to improve access to health care for the uninsured and underinsured people of North Carolina.

COMMUNITY SERVICE

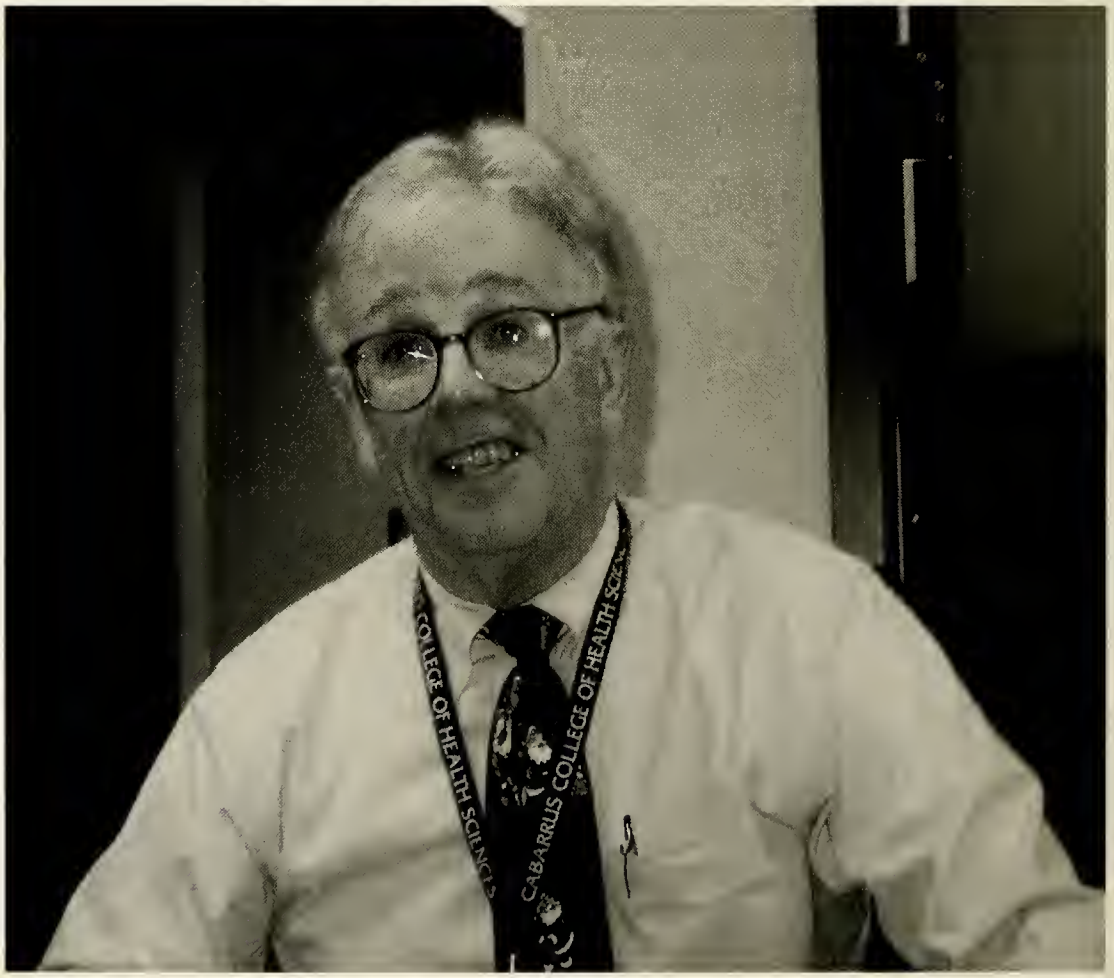
CORNDOG PLEASE!

On Hallowe'en the thing
you must do
Is pretend that nothing
can frighten you
An' if somethin' scares you
and you want to run
Jus' let on like
it's Hallowe'en fun.

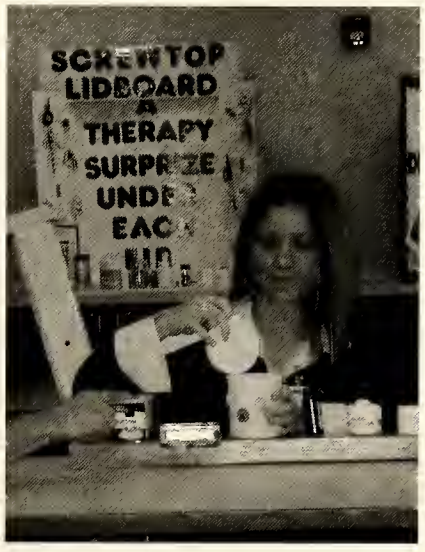
Double, double toil and trouble; Fire burn and cauldron bubble.

Dean Connelly's Helpful Hints for Surviving Cabarrus College of Health Sciences

1. NO BADGE....NO CLASS!!!
2. Always offer Dean Connelly your leftovers!
3. Don't smuggle cheeseburgers in your backpack!
4. Always offer Dean Connelly your leftovers!
5. Don't smoke near the gas line!



HOW DOES THIS THING WORK?



Convocation on Caring
September 12th, 2004

During the Convocation on Caring, nursing and allied health students make their commitment to the healthcare profession and are presented with their caps and pins.

RELAY FOR LIFE

American Cancer Society

Charlene Whitaker

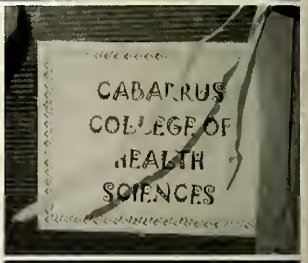
Angela Ferguson

Julia Stegman

Amanda Faggart

Relay For Life is a fun-filled overnight event designed to celebrate survivorship and raise money for research and programs of your American Cancer Society. During the event, teams of people gather at schools, fairgrounds, or parks and take turns walking or running laps. Each team tries to keep at least one team member on the track at all times.

Relay For Life represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day, cancer will be eliminated.



AROUND CAMPUS

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands:

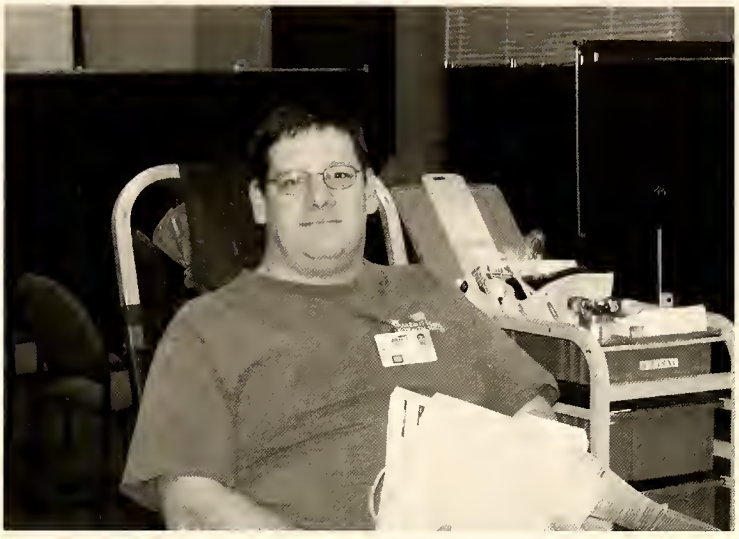
TEAMING UP FOR TAMMY!
In honor of Tammy Isenhour,
Class of 2005.

Reaching out to our community...

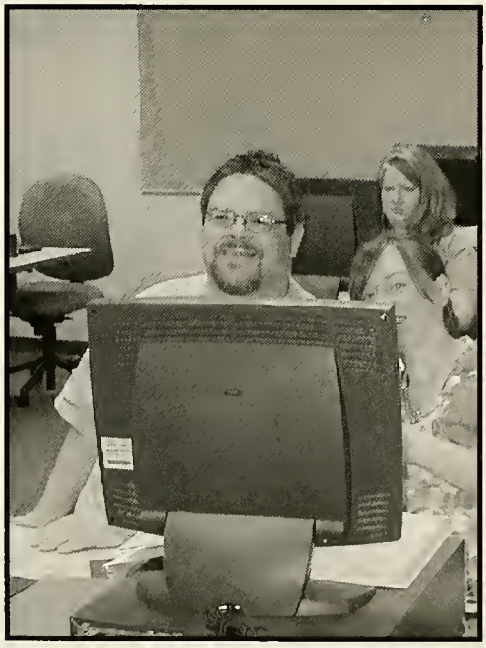
Through Community Service

The many faces of CCHS...

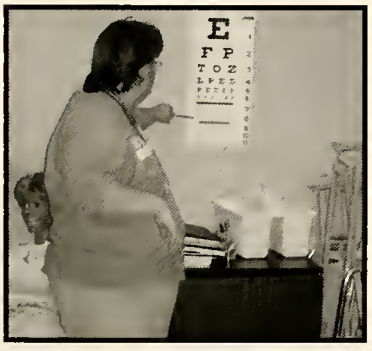


Medical Assisting Students

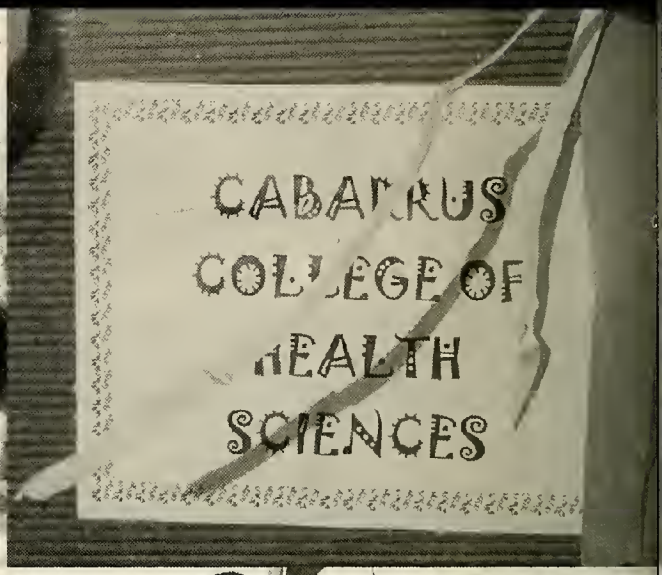
The objectives of the Medical Assistant program are that graduates will be prepared to work in entry level positions in a variety of healthcare settings to include physicians' offices, hospitals, clinics and long term care facilities; demonstrate a beginning level of competency in administrative and clinical duties congruent with job requirements; have an understanding of the ethical and legal responsibilities appropriate for their level of practice and meet appropriate criteria to sit for certification.

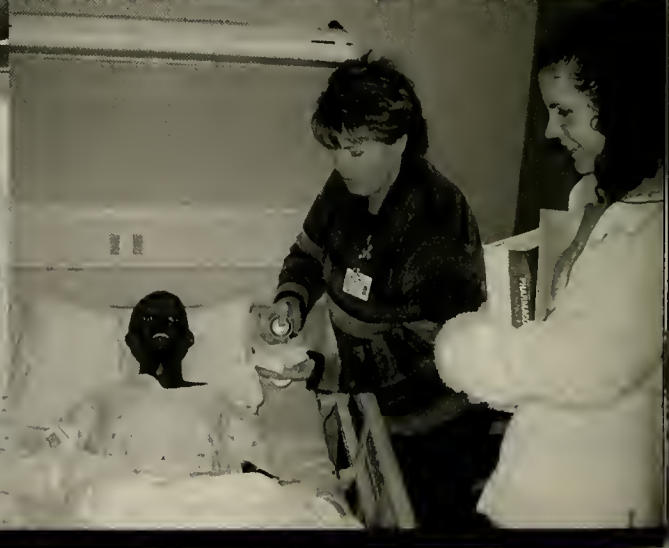


TAKE NOTE



GOOD TIMES!





CCHS, we'll never forget you!
